 - Design & Architecture
 - Engineering
 - Information Technology
 - Science

Pathways — your way to UTS

Leadership Advantage Scholarship

Unlock your full leadership potential with our scholarship package valued at A\$7,000.

Visit insearch.edu.au/leadership-advantage

Which program is right for you?

English Programs

Our English programs provide you with the English language and academic literacy skills required for entry to an English speaking university.

Choose from a range of programs to suit your skill level: Academic English for Foundation, Diploma, or Degree.

UTS Foundation Studies

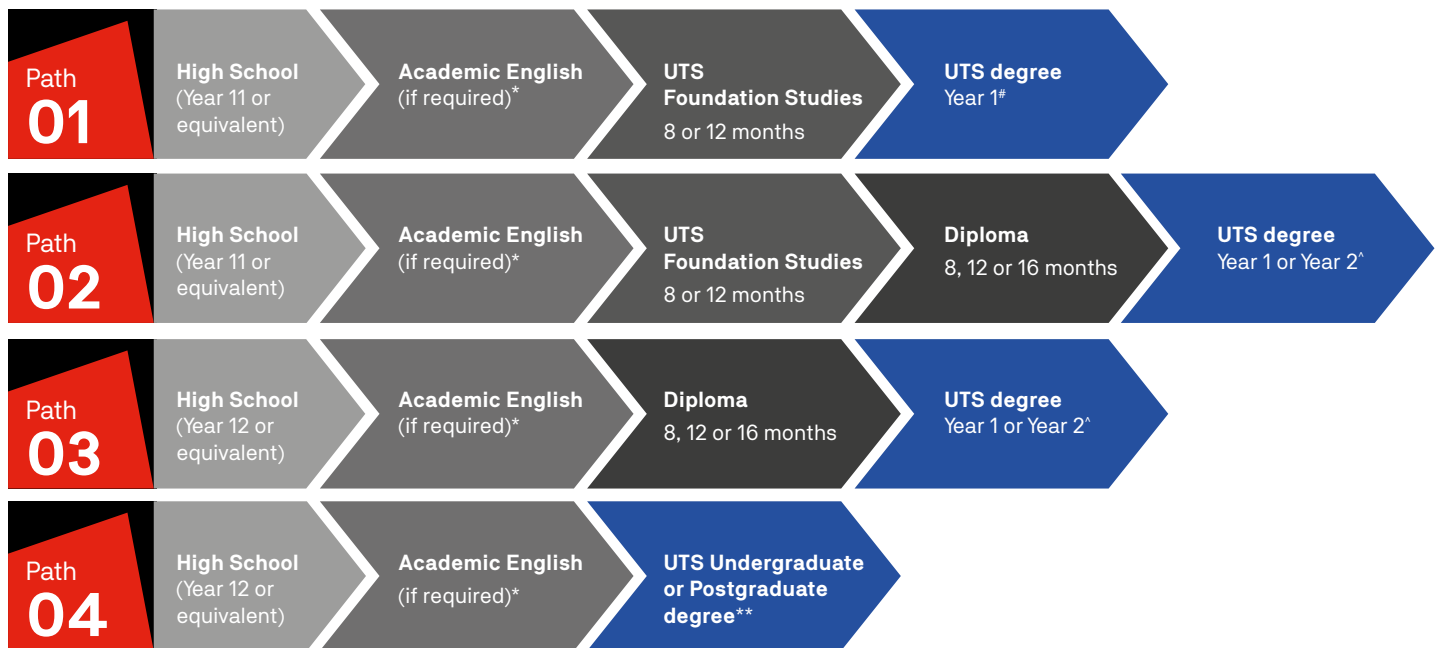

Our preparation program is designed for successful year 11 international high school graduates and provides pathways to UTS Insearch diplomas or, for successful students, entry into the first year of any undergraduate degree at UTS.

UTS Foundation Studies is offered on behalf of UTS and delivered by UTS Insearch specifically for international students, so you'll be surrounded by your peers and develop strong support networks.

Diploma Programs

Our diplomas are ideal if you don't meet the academic or English language requirements for entry into a UTS degree straight away.

Diplomas are delivered at a pace that suits you, with the option of our Standard or Accelerated programs, or you can combine your study with learning English and take the Extended pathway.

*You will only be required to enter a UTS Insearch Academic English program if you do not meet the English language entry requirements.

^The point where you enter into your UTS degree will depend on your major and is based on no more than two subject failures. Not all majors will take you into second year. Please refer to the individual course pages on the website insearch.edu.au for full credit point details.

*This pathway is only available if you achieve the required Grade Point Average (GPA).

**Successful completion of AE5 satisfies the English Language Admission requirements for most UTS Undergraduate and Postgraduate degrees. For specific details of UTS English entry requirements please refer to the individual faculty pages on the UTS website.

Notes

Entry requirements Malaysia

Academic requirements

	UTS Foundation Studies Extended (3 semesters – 12 months)	UTS Foundation Studies Standard (2 semesters – 8 months)	UTS Insearch diploma courses Extended (4 semesters – 16 months) Standard (3 semesters – 12 months) Accelerated (2 semesters – 8 months)

	Standard (3 semesters – 12 months)	A\$32,000
	Extended (4 semesters – 16 months)	A\$39,000

Processing fees: The international student processing fee of A\$250 is payable once an international student applies to UTS Insearch for the first time and is non-refundable.

Subject failure: The fees are based on no subject failures. Any subject that needs to be undertaken a second time will require payment of the relevant subject fee.

UTS Insearch package discounts: A UTS Insearch academic package is comprised of a UTS Foundation Studies program and a UTS Insearch diploma course but can also include a preliminary English course. Students undertaking a UTS Insearch academic package will receive a 5% discount off the total English tuition fees and will also receive a 5% discount off their diploma course fees when packaged with a UTS Foundation Studies program. See website for details.
